By instructing us to act, you will be deemed to have accepted the terms of this Agreement and to have requested to deal with us in English unless we specifically agree with you otherwise.

About JLT

JLT is licensed and regulated by the Bank Negara Malaysia (BNM). You can see the details of our authorisation by visiting the BNM website <http://www.bnm.gov.my>

We may in certain circumstances handle claims on behalf of insurers. We will advise you when these circumstances occur and inform you of how we will deal with any possible conflicts of interest. If we give you notice of a conflict of interest you will have the right to cancel this Agreement immediately. If you do not cancel the Agreement, we will continue to provide the services.

We are not an insurer or an underwriter.

Our Services

MARKETING AND PLACEMENT SERVICES

Negotiation and Broking

JLT will act as your insurance broker and/or risk management consultant. We will discuss your insurance requirements with you, including the scope of cover, limits sought and cost of cover.

We will keep you informed of our progress and identify where we are unable to obtain all or part of the cover sought by you. We will use reasonable endeavours to implement your insurance programme, subject to available insurers, before the intended date of inception, renewal or extension of cover (whichever is appropriate). We cannot however be responsible for the consequences of late instructions or the actions of third parties.

We will provide you with the information you need to make a decision about insurance cover available. All decisions regarding the amount, type or terms of insurance covers shall be your sole responsibility. While JLT may provide advice and recommendations, you must decide on the specific coverage that is appropriate for your particular circumstance and financial position.

JLT does not assume any liability for the effectiveness or completeness of your existing insurance programme (if any) or any insurance policies placed by you directly or by another insurance broker or for any acts or omissions occurring prior to the date of commencement of JLT's engagement.

Your insurer is regulated by BNM and is required to comply with all laws of Malaysia, regulations and conditions of doing business, including solvency requirements. If you are interested in receiving more information about a particular insurer or insurers including information about its financial strength and security, please contact your JLT representative for further guidance and information.

Market Security

We assess insurers and markets with whom we place business, using public information including that produced by recognised rating agencies. We do not, however, guarantee or otherwise warrant the solvency of any insurer or market used for your requirements. The decision regarding suitability of any insurer or market rests with you. If you have any concerns, regarding any insurers chosen for your insurance requirements you must advise us as soon as possible and we will discuss them with you.

Quotations

JLT does not guarantee premiums quoted by insurers. All quotations are provided by insurers and subject to subsequent acceptance by insurers, unless otherwise stated. All premiums quoted include our brokerage where applicable.

Our Respective Responsibilities

Proposal Forms

For certain classes of insurance you may be required to complete a proposal form, questionnaire or similar document. We will provide guidance if needed but we are not able to complete the document for you. In most cases, the information you provide will be the basis of or form part of the insurance policy.

The provision of incorrect or incomplete information may result in the insurer denying a claim or avoiding the policy (cancelling the policy from inception).

Disclosure of Information

You are responsible for providing us or your insurers with the information we request from you to enable us to seek the cover you require. We will not be responsible for any consequences which may arise from any delay or failure by you to do so.

Further, you must disclose to us or your insurers all information which is material to your requirements for cover or which might influence insurers in deciding to accept your business, finalising the terms to apply and/or the cost of cover. You should not rely on Insurers to request material information from you. Failure to make such disclosure could result in the policy being rendered void, so that claims may not be paid. This duty of disclosure applies before the start of cover, when all material information must be disclosed to insurers to enable terms to be negotiated and cover arranged. This is not limited to answering specific questions that may be asked. Any material changes which may occur or come to light after a quotation has been given must also be notified to us and your insurers.

The same duty is owed to the insurer before renewal, extension, variation or reinstatement of a contract of insurance. In addition, changes which substantially increase the risk, or relate to compliance with a warranty or condition in a policy, must be notified at once.

You should not rely on casual observation of any material aspect of the risk by us or any other third party as satisfying your obligation to disclose material matters concerning your cover.

Please contact us immediately if you have any doubts about what is material or have any concerns that we may not be aware of material information.

Your Policy

We will use all reasonable endeavours to ensure that your policy documentation is forwarded in a timely manner. Your policy documentation will confirm the basis of the cover; give details of the insurers together with details of amount of premium and the date it is due.

You are responsible for reviewing your insurance documentation together with other related documents which may be sent to you from time to time to confirm that they accurately reflect the cover, conditions, limits and other terms that you require. Particular attention should be paid to any policy conditions, warranties and subjectivities as failure to comply with any of them may invalidate your coverage. If there are any discrepancies you should consult us immediately.

Claims

You are responsible for notifying claims or potential circumstances that may give rise to a claim. To ensure full protection under your policy, you should familiarise yourself with the provisions of your cover and procedural requirements in relation to claims and to the notification of those claims or circumstances. Failure to adhere to the notification requirements, particularly in relation to timing, as set out in the policy or other coverage document, may entitle insurers to refuse your claim. **In presenting a claim it is your responsibility to disclose all facts which are material to the claim.**

Where we collect claims payments, these will be remitted to you in accordance with any regulatory requirements. However, we will not remit claim monies to you before we have received them from insurers.

Change in Circumstances

You must advise us as soon as reasonably practicable of any changes in your circumstances that may affect the services to be provided by us or the cover provided under your insurance policy.

We will advise you as soon as reasonably practicable of any resultant changes in premium or terms and conditions of your policy.

Provision of Information

The services we provide to you are for your exclusive use and all data, recommendations, proposals, reports and other information provided by us in connection with our services contains proprietary, confidential information and are for your sole use and may not be shared with any third party, unless otherwise agreed by JLT in writing.

Payment of Premium

You will provide settlement with cleared funds of all monies due in time for us to make payment to insurers in accordance with the payment date(s) specified in our invoice or other relevant payment documentation ("**Payment Date**").

You must also pay any fees or charges applicable to your insurances.

Where insurers have specified a premium payment warranty or condition in your policy, your insurers must receive the premium due from you by that date. You acknowledge that failure by you to pay by the Payment Date and/or comply with a premium payment warranty or condition may lead to insurers cancelling your policy. If you do not think that you will be able to meet the Payment Date and/or a premium payment warranty or condition, please contact us immediately.

Client Money

We are required to keep Client Money separate from our own money. We will normally do this by holding money in a client bank account.

Any interest earned on Client Money will be retained by us.

Currency

Where we are able to deal in a currency other than the local currency, we are not responsible for any shortfalls in payments, including premium or claims payments arising from movements in foreign exchange rates.

We may need to convert currency you have sent us into another currency for the purposes of carrying out your transaction. If we have converted but not paid such money to insurers or other third parties (and are not legally obliged to do so) and you request us to return such money to you, then you agree that we will return such money to you in the currency to which we have converted it and at the exchange rate at which we originally converted it. Should we agree to reconvert the currency for you, you will agree to accept the re-conversion at the market exchange rate prevailing at the time of re-conversion, less applicable bank charges.

Your Liability for Tax

JLT is not a tax adviser and consequently makes no representation to you as to your liability or otherwise for tax on any sums that may be paid to you under a contract of insurance. Any information or calculations that JLT provides about insurance, regulatory or tax issues are based on publicly available information and JLT's experience derived from involvement in similar matters for other clients. In all instances, JLT recommends that you seek your own advice on such matters from professional legal and tax advisers. It is your obligation to make declarations in respect of, and to account to any relevant revenue authority for, all insurance proceeds.

Sales and Service Tax

If any supply made under this agreement is a taxable supply to which the Malaysian Sales and

Service Tax ("SST") would apply, Marsh reserves the right to levy SST at the prescribed rate and the recipient of the supply agrees to pay the amount of SST.

Our Remuneration

Subject to any more specific term separately agreed in writing, our remuneration is based on brokerage which is payable out of premium paid by you and allowed by the insurer(s) with whom your cover is arranged. On occasion, we may be remunerated by both brokerage and a fee ("Engagement Fee"). Where we are to be remunerated by an Engagement Fee, this Agreement will still apply, but in addition we will agree with you the level of the Engagement Fee and any other matters such as the term of our engagement. You will be responsible to us for the payment of all such Engagement Fees. In this connection, JLT may be paid separately by insurers a fee for risk management services related to your cover or be paid a fee for claims preparation or additional claim services.

Brokerage and/or Engagement Fees are fully earned when you instruct us to bind cover for your policy. There will be no return or cancellation of Engagement Fees and/or brokerage once you have instructed us to bind cover for your policy notwithstanding that the policy is later varied, terminated or otherwise cancelled and we are entitled to retain or recover from you all Engagement Fees and/or brokerage (or its equivalent) in respect of the full policy period.

In the event that an insurance program is placed by JLT for you, JLT shall be compensated for its services through commissions from insurers based on a percentage of the premium paid (the "**Commission**"), subject to the following:

- (a) In the event that the amount of the Commission is less than the amount of the Engagement Fee, JLT will charge the Commission together with an additional fee of an amount equal to the difference between the Commission and the Engagement Fee; and
- (b) In the event that the amount of the Engagement Fee is less than the amount of the Commission, JLT will waive the payment of the Engagement Fee and JLT's compensation shall consist

solely of the payment of Commission.

For avoidance of doubt, under no circumstances shall JLT be entitled to compensation by means of both Commission and the full Engagement Fee.

In the event of a mid-term adjustment, we may be entitled to further brokerage from any additional premium payable.

Other Revenue

We (and/or other members of the Marsh Group) sometimes separately receive payments from insurers for services provided to them which are not directly related to the services which we provide to you.

Where applicable or permitted under the law, the payment received from a particular insurer for services provided in a given period may be a management or administration fee or it may be based upon the profitability of insurance business placed with that insurer during that period. When providing these services to insurers we will always use reasonable endeavours to avoid a conflict of interest. If we consider that a conflict has arisen, then we shall take no further action on behalf of the insurer unless you agree in writing that we may proceed.

We (or other members of the Marsh Group) may receive separate compensation from insurers for providing consulting technical, data analytics or other services. The services are designed to improve the offering available to our clients assist insurers in identifying new opportunities and enhance insurers' operational efficiency. The scope and nature of the services vary by insurer and geography.

We (or other members of the Marsh Group) may also act as reinsurance brokers to underwriters with whom we have placed insurance or reinsurance and may receive remuneration by fees and/or brokerage for so doing.

It may be appropriate for us to use a member of the Marsh Group or another intermediary (located inside or outside Malaysia) to assist us in fulfilling your insurance requirements. These companies

may receive additional remuneration for the services they provide.

At your request, we will disclose to you in writing the remuneration we (and other members of the Marsh Group) receive in respect of your policy. To the extent that such other remuneration cannot be indicated in cash terms, then we will explain the basis for its calculation.

You can find out more about how we are paid by visiting our Transparency & Disclosure webpage- (<https://www.marsh.com/my/en/about-marsh/transparency-and-disclosure.html>)

Web Placements and Facilities

JLT may place your insurance policies through a facility set up by JLT (or other members of the Marsh Group) with selected insurers and/or an internet based system developed by Marsh Group which allows for the efficient transfer of underwriting information to a panel of insurers competing for business and the ability to issue policy documentation on line. JLT (or other members of the Marsh Group) may be remunerated by a fee paid by the participating insurers for the use of the facility and/or the Marsh Group developed internet based system.

Cancellation of this Agreement

This Agreement may be terminated by either party giving 90 days' notice in writing to the other party. Subject to payment of any outstanding fees due to us, JLT will assist in arranging a smooth transfer of your business. After termination, unless otherwise agreed, JLT will cease to handle claims relating to policies placed by JLT on your behalf.
